

APSA FLAG DAY 2009

APSA's annual Flag Day fund

different regions in the island.

The APSA team is very grateful to the Mauritian public, companies, and all the volunteers who contributed to making the 2009 Flag Days a success.

It was tremendously encouraging to feel the Mauritian public's support for this worthy cause and their willingness to rally alongside APSA in order to get the Diabetes Care Centre up and running in 2010.

Thanks to this great support, the association raised over Rs 1 400 000 during this fund raising event! We are immensely thankful to you all !
